NORTHSTAR WONDERLAND

PBPCA hosted this year's staff dinner which included our committed and fabulous CEO Thom Jackson and Board Members. Likewise, all six NorthStar Academies schools came together for a night of delicious food, holiday music, and celebration.

PBPCA & PBSC JOIN FORCES

PBPCA is setting a precedent this school year by partnering with Palm Beach State College to open a branch campus at the college. Palm Beach Prep Seniors will have the opportunity to finish all their course work and testing at one of our two Palm Beach State classrooms while being immersed in the experience of a post high school education.

Dr. Walker ran into Palmer the Panther at the State of the County Breakfast.

PANTHERS GIVE THANKS

Thanksgiving is the perfect time of year to help serve your community. Pictured below are SGA members serving Thanksgiving lunch to fellow students before going on break.

thank you 

'TIS THE SEASON

PBPCA has partnered again this holiday season with the Guatemalan Maya center of Lake Worth to donate gifts to local children in need. Mrs. Williams and the SGA team did a wonderful job collecting toys and encouraging other students to bring in toys to help reach the Center's goal of 1000 toys!

INVOLVEMENT MATTERS

Parent involvement is a major contributing factor to student success. Palm Beach Prep honors all the parents that have supported our parent meetings, because you encourage us to find more ways to motivate and educate all. Mrs. Gonzalez, ESOL Coordinator, is pictured here with a group of parents for our first ELL Parent night of the year. Parents are encouraged to come to every event and stay informed. We currently have monthly SAC meetings and Senior Parent nights in which food is always provided. Hope to see you there!

HOLIDAY SPIRIT PARTICIPATION

This December our staff participated in a secret Santa gift exchange. Everyone drew names and brought in a gift for their assigned co-worker. Each staff member said compliments about their secret Santa until we all guessed the staff member.

SPREADING GOODWILL & CHEER

Teacher & Staff Gift Exchange was a hit!

It was all smiles and laughter!
